Tomorrowland 2025 winter

Tomorrowland Winter 2025: Full Lineup, Timetable, and Everything You Need to Know Only a month remains until Tomorrowland Winter 2025 makes its grand return! Taking place from March 15-22, 2025, in the breathtaking Alpe d’Huez, France, this world-renowned electronic music festival is set to welcome over 22,000 People of Tomorrow for an unforgettable winter adventure. Tomorrowland Winter has officially unveiled its full timetable for the 5th edition of the festival. Inspired by the brand-new theme Paperworld, this year’s festival will bring together more than 150 of the world’s top electronic artists, including: Headliners: AFROJACK Armin van Buuren Axwell Dimitri Vegas Lost Frequencies Netsky Steve Aoki Vintage Culture W&W Nina Kraviz Amelie Lens Meduza NERVO Other performing artists include Blasterjaxx, Bassjackers, Joris Voorn, Kölsch, Miss Monique, Mind Against, Sub Zero Project, Third Party, Sunnery James & Ryan Marciano, Yves V, and many more. This year’s festival will feature 7 stunning indoor and outdoor stages, set both in the Alpe d’Huez ski resort and at breathtaking mountain locations accessible for skiers and non-skiers alike. Mainstage: A brand-new covered stage, bringing the Paperworld theme to life in a breathtaking indoor experience. CORE Stage: Making its way to Alpe d’Huez for the first time, offering world-class house and techno performances with its signature split-head design. Frozen Lotus: A nature-inspired stage with stunning winter aesthetics. Cage & The Reflection of Love: Hosting high-energy performances in an immersive setting. Amare Stage: Returning as a festival favorite, promising spectacular visuals and music. Tomorrowland Winter is more than just music – it’s a full winter festival experience. Attendees can enjoy skiing, snowboarding, and thrilling mountain activities, including: Start to DJ workshops Dogsled rides & electric bike tours Paragliding & snowshoeing Outdoor mountain yoga & Alpine coaster rides Exclusive fine dining & après-ski experiences One of the most exciting parts of Tomorrowland Winter 2025 is its exclusive back-to-back (B2B) sets, featuring legendary collaborations such as: Armin van Buuren b2b Joris Voorn Dimitri Vegas b2b Steve Aoki NERVO b2b B Jones Jennifer Cardini b2b Pablo Bozzi Kölsch b2b Kevin de Vries All Tomorrowland Winter 2025 Packages, including 7-Day Festival Passes, 4-Day Festival Passes, and almost all 1-Day Festival Passes, are officially sold out. However, resale options may be available via the Tomorrowland Ticket Exchange platform. New this year, the Discover Paris program offers attendees a 3-day immersive travel experience before the festival begins. Explore the city’s iconic landmarks, food, art, and culture with fellow festivalgoers before heading to Alpe d’Huez. For the full timetable, lineup, and latest news, visit the official Tomorrowland website at tomorrowland.com. Stay connected by following Tomorrowland’s social media channels and using hashtags #TomorrowlandWinter and #TML2025. Tous les packages Tomorrowland Winter, incluant l’hébergement à l’Alpe d’Huez, ainsi que les Pass sans hébergements 7 jours, 4 jours et 1 jour sont complets. Découvrez la programmation complète de Tomorrowland Winter 2025 sur tomorrowland.com/7 scènes intérieures et extérieures à découvrirRassemblant des passionnés de tous styles de musique électronique, le festival accueillera plus de 22 000 People of Tomorrow dans la magnifique station de l’Alpe d’Huez pour une semaine d’aventures uniques lors de ce festival hivernal. Préparez-vous à faire le plein de neige, de ski, de snowboard, d’activités en plein air palpitantes et de DJ sets.Plus de 150 des plus grands artistes mondiaux se produiront sur 7 scènes intérieures et extérieures, installées sur les pistes et en cœur de station (également accessibles aux non-skieurs et aux piétons). Découvrez la toute nouvelle Mainstage couverte édition 2025, et les scènes de CORE, Cage, Frozen Lotus, The Reflection of Love et Amare.La spectaculaire Mainstage en intérieur transportera les visiteurs dans l’univers de Paperworld, un patchwork de Tomorrowland, composé de mots, phrases, et de contes, qui créeront un monde unique. Après une série de shows éblouissants à travers le monde, la légendaire scène CORE s’installera à l’Alpe d’Huez pour lancer l’année en beauté. Elle accueillera des performances captivantes aux shows visuels incroyables des meilleurs artistes de la scène house et techno. Vous reconnaîtrez cette scène emblématique en forme de tête humaine séparée en son milieu par un écran gigantesque.Cette année, la scène Frozen Lotus sera fleurie de nombreux éléments naturels, de plantes et fleurs resplendissantes, tandis que la mythique scène Amare reprendra sa place nichée au cœur des montagnes.Présents à chaque édition de Tomorrowland WinterPlusieurs artistes feront leur cinquième apparition consécutive à Tomorrowland Winter en 2025, après des performances inédites à chaque édition depuis le début du festival en 2019. Parmi les grands fidèles de la version hivernale on retrouvera AFROKACK, Dimitri Vegas, Kölsch, Lost Frequencies, Netsky, Regi, Steve Aoki, Sunnery James & Ryan Marciano, et Yves V - apportant tous leur signature musicale dans ce décor montagneux époustoufflant.Les meilleurs DJs et producteurs françaisTomorrowland Winter 2025 mettra sur le devant de la scène certains des plus grands artistes français de la scène électronique mondiale. Le DJ et producteur Pablo Bozzi performera en Live aux côtés de l’iconique Jennifer Cardini, promettant une performance b2b inédite et rafraîchissante pour un show captivant au sommet de ces magnifiques montagnes.Le DJ et producteur parisien AlexWann, qui a conquis le monde de la musique avec son titre afro house Milkshake, ainsi que Rivo, connu pour son remix viral du classique You & Me de Disclosure, seront de la partie. L’artiste multidisciplinaire Agoria, le duo de frères Betical, le maître de la Latin house HUGEL, le DJ et producteur marseillais Matt Sassari, la talentueuse artiste parisienne Phloul et la star de la hard techno VIDO offriront tous des performances exclusives.Les talents locaux Galluxy et Ewawe, qui ont débuté leur aventure à Tomorrowland Winter sur les plus petites scènes du festival il y a quelques années, s’apprêtent à franchir une étape majeure dans leur carrière. Ces étoiles montantes seront sous le feu des projecteurs pour ouvrir avec fierté la Mainstage le mardi soir avec un b2b électrisant, marquant un moment clé dans leur parcours musical.Des performances back-to-back uniquesLes People of Tomorrow auront la chance de découvrir une série de b2b inédits au cœur des montagnes. Parmi des performances d’Armin van Buuren b2b Joris Voorn, Dimitri Vegas b2b Steve Aoki, Dino Lenny b2b Yulia Niko, Emilija b2b Helena Lauwaert, Ewawe b2b Galluxy, HAAI b2b DJ BORING, Jennifer Cardini b2b Pablo Bozzi, Kölsch b2b Kevin de Vries, NERVO b2b B Jones, Yves V b2b Regi, et bien d’autres encore.Atmosphere version Tomorrowland WinterPour le dernier jour de Tomorrowland Winter, le concept Atmosphere prendra place sur la scène CAGE, avec ses sons percutants et son énergie brute pour repousser les limites de la musique électronique. Au programme : CARV, NOVAH, Portex, et VIDO , promettent une expérience inoubliable pour les amateurs d’intensité.Des activités hivernales palpitantes à découvrir dans les montagnes de l’Alpe d’HuezLes People of Tomorrow profiteront d’activités hivernales captivantes au cœur des montagnes de l’Alpe d’Huez pour vivre pleinement l’expérience Tomorrowland Winter. Pour apprendre à mixer avec des workshop DJ, des balades en chiens de traîneau, des sorties en vélo électrique, des vols en parapente, des randonnées en raquettes, du yoga en plein air, ou encore des descentes de luge en snake gliss ou avec l’Alpine Coaster , et bien plus encore.En plein cœur des paysages enneigés, la gastronomie Tomorrowland « Tastes of the World » proposera une cuisine montagnarde délicieuse avec des expériences uniques dans les restaurants d’altitude (avec toujours une option végétarienne). Des barbecues en plein air, fondues & raclettes, cocktails & mocktails, et plus de 50 autres restaurants & bars de l’Alpe d’Huez pour se ressourcer après une journée remplie.Tous les festivals ayant réservé des Pass 7 et 4-jours séjourneront à l’Alpe d’Huez ou dans l’un des villages environnants, pour profiter des plaisirs de l’hiver. La station restera également ouverte aux autres visiteurs.Discover ParisEn nouveauté cette année : le programme Discover Paris vous invite à vivre une aventure unique de 3 jours pour explorer et flâner dans l’envoutante capitale française, aux côtés d’autres festivaliers venus du monde entier avant de démarrer ensemble Tomorrowland Winter. Un guide local Discover Paris vous accueillera à votre hébergement (directement à l’Alpe d’Huez) et veillera à ce que vous puissiez profiter pleinement de votre séjour. Architecture typique Parisienne, peintures, restaurants, mode et monuments emblématiques. Paris vous dévoilera ses nombreux trésors cachés au fil du chemin.Consultez la programmation complète de Tomorrowland Winter 2025 sur tomorrowland.com.Tomorrowland Winter 2025March 15-22, 2025Alpe d’Huez, Francetomorrowland.com Tomorrowland Winter has announced its full streaming programme for 2025. All Tomorrowland Winter Packages, including lodging in Alpe d’Huez, as well as 7-Day Festival Passes and 1-Day Festival Passes are still available on here. Inspired by the magical ‘Amicorum Spectaculum’, the legendary fourth edition of Tomorrowland Winter took place from March 16-23, 2024. More than 22,000 People of Tomorrow came together to celebrate the spectacle of friendship in the beautiful French ski resort of Alpe d’Huez. More than 150 of the world’s best electronic artists performed across 8 magnificent indoor and outdoor stages, including AFROJACK, Alesso, Amber Broos, Andromedik, ANNA, Armin van Buuren, Da Tweekaz, Dimitri Vegas & Like Mike, Henri PFR, Kevin de Vries, Konstantin Sibold, Lost Frequencies, Netsky, Nina Kraviz, Sebastian Ingrassio, Steve Aoki, Sub Zero Project, Tchami b2b Malaa, Vintage Culture, and many more. Having travelled to Alpe d’Huez for the first time, the iconic CORE stage instantly turned into a crowd favorite, while ‘The Reflection of Love’ stage was a brand-new gem to discover in the mountains, inspired by the fabulous ‘The Reflection of Love’ Mainstage in Belgium and Brazil. Thursday, 13 February 2025 - Only a month remains until Tomorrowland Winter makes its grand return! Hosting more than 150 of the world’s best electronic artists in the breathtaking French resort of Alpe d’Huez, Tomorrowland Winter has now unveiled the full timetable for the 5th edition of the festival through the in-house One World Radio, available via its website or mobile app. Action from the Paperworld main stage will be treated to magnificent performances by AFROJACK, Agents Of Time, Agoria, Ajna, Alex Wann, Alok, Andromedik, Amber Broos, Amelie Lens, Argy, Arielle Free, Armin van Buuren, Axwell, Bassjackers, B Jones, Blasterjaxx, Dimitri Vegas, Dino Lenny, DJ BORING, HAAI, Henri PFR, HUGEL, Indira Paganotto, Jennifer Cardini, Joris Voorn, Kevin de Vries, Kölsch, Lost Frequencies, Lovra, LP Giobbi, Lucas & Steve, MANDY, Mathame, Matisse & Sadko, MATTN, Matt Sassari, Meduza, Mind Against, Miss Monique, Mr. Belt & Wezol, NERVO, Netsky, Nina Kraviz, NOVAH, Odymel, Pablo Bozzi, Parallele, Phloul, Regi, R3HAB, Rivo, Rose Ringed, Samm, Steve Aoki, Sub Zero Project, Sunnery James & Ryan Marciano, Switch Disco, Third Party, VIDO, Vintage Culture, W&W, Young Marco, Yulia Niko, Yves V, and many more. All Tomorrowland Winter Packages, including lodging in Alpe d’Huez, as well as 7-Day Festival Passes, 4-Day Festival Passes and almost all 1-Day Festival Passes are sold out. Check out the full line-up and timetable of Tomorrowland Winter 2025 on tomorrowland.com.7 different indoor and outdoor stages to discoverBringing together fans of all electronic music genres, the winter festival will welcome 22,000 People of Tomorrow to the stunning Alpe d’Huez for a unique, week-long winter festival adventure. Expect with snow, skiing, snowboarding, thrilling outdoor activities, and unforgettable electronic music performances. Over 150 of the planet’s greatest artists will perform across 7 indoor and outdoor stages, set both on the mountains and within the ski resort (also accessible for non-skiers and pedestrians), including a brand-new covered Mainstage, CORE, Cage and Frozen Lotus, as well as The Reflection of Love and Amare. The breathtaking indoor Mainstage will be taking visitors along Paperworld, the parchment patchwork of all Tomorrowland tales ever told, forming into words, sentences, and ultimately stories, which each turn into a unique world of their own.After a series of spectacular shows around the world, the legendary new CORE stage is making its way to Alpe d’Huez to kick off the year in style, welcoming world-class performances alongside a spectacular audiovisual experience by the scene’s finest acts in house and techno. The stage’s defining feature is a human head split down the middle by a large screen. This year’s Frozen Lotus stage will again feature lots of nature elements and greenery with beautiful plants and flowers, while the legendary Amare stage will once again soar from its nest and touch down in the mountains.Performing at every edition of Tomorrowland WinterSeveral artists will be making their fifth consecutive appearance at Tomorrowland Winter in 2025, having performed at every edition since the festival’s debut in 2019. These include AFROJACK, Dimitri Vegas, Kölsch, Lost Frequencies, Netsky, Regi, Steve Aoki, Sunnery James & Ryan Marciano, and Yves V - each bringing their signature sounds to the breathtaking mountain setting once again.France’s finest DJs and producersTomorrowland Winter 2025 will showcase some of the finest French artists on the global electronic music scene. Live artist and DJ/producer Pablo Bozzi and the iconic Jennifer Cardini will be joining forces for a special b2b performance, promising fresh music and an exciting show high up in the beautiful mountains. Alex Wann, the Parisian DJ & producer who took the music world by storm with his afro house record ‘Milkshake’, Rivo, known for his viral remix of Disclosure’s classic hit ‘You & Me’, as well as multi-disciplinary artist Agoria, brother duo Betical, Latin house master HUGEL, Marseille based DJ & producer Matt Sassari, Paris-based female rising talent Phloul and hard techno star VIDO will all deliver an exclusive performance.Local talents Galluxy and Ewawe, who began their Tomorrowland Winter journey on the festival’s smallest stages years ago, are set for a major milestone. The rising stars will take the spotlight on the first day, opening the Mainstage together with an electrifying back-to-back performance, marking a proud moment in their careers.Unique back-to-back sets The People of Tomorrow can look forward to a series of exclusive back-to-back sets in the mountains, featuring performances by Armin van Buuren b2b Joris Voorn, Dimitri Vegas b2b Steve Aoki, Dino Lenny b2b Yulia Niko, Emilija b2b Helena Lauwaert, Ewawe b2b Galluxy, HAAI b2b DJ BORING, Jennifer Cardini b2b Pablo Bozzi, Kölsch b2b Kevin de Vries, NERVO b2b B Jones, Yves V b2b Regi, and more.Atmosphere at Tomorrowland WinterOn the final day of Tomorrowland Winter, Tomorrowland’s Atmosphere concept will take over the Cage, bringing harder sounds and raw energy to the forefront and pushing the limits of electronic music. On the line-up: CARV, NOVAH, Portex, and VIDO, promising an unforgettable experience for those who crave intense, boundary-pushing performances.Exciting winter activities in the mountains of Alpe d’HuezFestivalgoers can enjoy various exciting winter activities in the mountains of Alpe d’Huez to make the most of Tomorrowland Winter, including Start to DJ workshops, dogsled rides, electric bike rides, paragliding experiences, snowshoeing, outdoor mountain yoga, snake gliss, Alpine coaster rides, and more. Amidst the beautiful mountains, Tomorrowland’s Tastes of the World cuisine offers guests delicious mountain food specialties with a bunch of unique restaurant experiences, food stands (each stand offers a vegetarian option as well), outdoor barbecues, cheese fondues & raclettes, cocktails & mocktails and more than 50 other restaurants & bars in Alpe d’Huez to recharge after a day in the mountains. All festivalgoers with 7- and 4-Day Tomorrowland Winter Packages are staying in Alpe d’Huez or one of the surrounding villages, while the ski resort remains open for other visitors as well.Discover ParisBrand-new this year: the Discover Paris program offers people a unique 3-day travel adventure to discover the mesmerizing French capital with other festivalgoers from all over the world before the start of Tomorrowland Winter. A local Discover Paris host will welcome you at your accommodation in Paris and will assure you make the most out of your trip, including the city’s famous and most iconic architecture, paintings, restaurants, fashion and landmarks, as well as a bunch of hidden gems along the way.Check out the full line-up and timetable of Tomorrowland Winter 2025 on tomorrowland.com.Tomorrowland Winter 2025March 15-22, 2025Alpe d’Huez, Francetomorrowland.com From March 15-22, 2025, Tomorrowland returns to the French ski resort of Alpe d’Huez for the 5th edition of Tomorrowland Winter. Want to fully enjoy this unforgettable experience? Here are 10 must-try winter activities at Tomorrowland Winter 2025!1. Ride Through the Snow with Electric bike rideDiscover the MTB Fat e-Bike! These electric mountain bikes are equipped with oversized tires for ideal traction in the snow, so hiking on winter surfaces becomes enjoyable. Go on an adventure and discover the snowy trails of Alpe d’Huez.2. Relax with Outdoor Mountain YogaTake a yoga class in the heart of nature at an altitude of 2,700m. Timeless and in perfect harmony with the mountains, outdoor mountain yoga will leave you feeling liberated and energized.3. Race Down the Slopes with Snake GlissImagine hurtling down the slopes of Alpe d’Huez at full speed on a sled with your friends. This thrilling activity promises bursts of laughter and memorable memories.4. Ski and Snowboard Like a ProAdrenaline seekers, snow lovers and beginners, make the most of your journey and team up with the best local ski or snowboard instructors to discover the slopes like never before. The instructors have perfect knowledge of the mountains and know their way around like no other. The guides can show you the best and fastest routes to the mountain stages of Tomorrowland Winter and enhance your experience to the highest level.5. Become a DJ with a 2-Hour WorkshopDive into the world of deejaying through a 2-hour DJ workshop. No experience needed. Learn all about the art of mixing and how to apply effects to create a unique sound. 6. Soar Above the Alps with ParaglidingNot everyone can ski or snowboard, but luckily there’s a range of great activities for non-skiers as well at Tomorrowland Winter! For the real daredevils out there: there’s a spectacular paragliding flight that takes you all the way over the mountain lakes and peaks of Alpe d’Huez, comfortably installed in your harness.7. Take a Ride on the Alpine CoasterA fun activity to enjoy on your own or with a friend. The sledge on rails: an essential attraction open to all! Slide down the 1 km long track with turns, jumps, spins and tunnels. No experience needed and fun guaranteed. 8. Explore Nature with SnowshoeingDiscover the quietness and beauty of winter by enjoying a unique snowshoeing experience! You will be guided by experienced professionals who will help you discover the magical landscapes of Alpe d’Huez.9. Enjoy Unique Flavors of Mountain CuisineAmidst the beautiful mountains, Tomorrowland’s Tastes of The World cuisine offers you a bunch of unique restaurant experiences, food stands, outdoor barbecues, cheese fondues & raclettes and more than 50 other restaurants & bars in Alpe d’Huez to recharge after a day in the mountains.10. Go on a Romantic Dogsled RideGet close to nature on a romantic dogsled ride and explore the beautiful nature of Alpe d’Huez while you feel the cool breeze on your face as you slide through the pristine snow-covered mountain scenery. Chances are, you’ll make a new four-legged best friend!
