Television is like a sausage factory for creating celebrities. They produce new soap operas like EastEnders and that generates many celebrities who immediately appear in magazines and newspapers. Shows like Towie create even more celebs, which are great fodder for the magazines and newspapers. TV presenters have also become famous... Anthea Turner and Fearne Cotton are examples of this. Advice to young people wanting to be famous is to just appear on TV and get in front of those big cameras and you will soon become rich and famous
