TOP DEFINITION

C++

A [programming language](#) for [Real Men](#). Most languages try to provide a simplified way to solve specific problems well. C++ makes no such [concession](#) and tries to be mediocre at everything. It lets you program at a very high level, and a very low level in the same program. It lets you write procedural code, object oriented code, generic code and mix them all up. It makes you decide everything and provides no help if you get it wrong.

It is by far the biggest, most complicated, ugly, down-right dangerous language you can use. But it does run fast. It takes at least twice as long to program in C++ as any other major language (except C).

The men who program in C++ are Real Men. The women who program in C++ are Real Men too. You can spot a C++ programmer from their testosterone fueled swagger, and the unbelievable amount of contempt they inject into the phrase Java "programmer". They'll probably do the air quotes and all.

You may be subject to additional terms and conditions that apply when you use or purchase other Music Tribe's services, which Music Tribe will provide to you at the time of such use or purchase. Without limitation to the foregoing, Music Tribe provides no warranty or undertaking, and makes no representation of any kind that the Software will meet your requirements, achieve any intended results, be compatible or work with any other software, systems, or services, operate without interruption, meet any performance or reliability standards or be error free or that any errors or defects can or will be corrected. Without limiting the foregoing, neither Music Tribe nor any of Music Tribe's provider makes any representation or warranty of any kind, express or implied: (i) as to the operation or availability of the Software, or the information, content, and materials or products included thereon; (ii) that the Software will be uninterrupted or error-free; (iii) as to the accuracy, reliability, or currency of any information or content provided through the Software; or (iv) that the Software, its servers, the content, or emails sent from or on behalf of Music Tribe are free of viruses, scripts, trojan horses, worms, malware, time bombs or other harmful components. This shall not limit; however, any claim Music Tribe may have of a breach of contract in the event you breach a term or condition of this Agreement. To the maximum extent permitted under applicable law, Music Tribe, on its own behalf and on behalf of its affiliates and its and their respective licensors and service providers, expressly disclaims all warranties, whether express, implied, statutory or otherwise, with respect to the Software, including all implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, and warranties that may arise out of course of dealing, course of performance, usage or trade practice. This Agreement will terminate immediately, without prior notice from Music Tribe, if you fail to comply with any provision of this Agreement. Throughout this Agreement, End User and Company may each be referred to as a "Party" or collectively, the "Parties." If you are using the Software on behalf of your employer or another entity (an "Organization") for whose benefit you utilize the software or who owns or otherwise controls the means through which you utilize or access, then the terms "End User," "you," and "your" shall apply collectively to you as an individual and to the Organization. To the maximum extent permitted by applicable law, in no event shall Music Tribe or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits, for loss of data or other information, for business interruption, for personal injury, for loss of privacy arising out of or in any way related to the use of or inability to use the Software, third-party software and/or third-party hardware used with the Software, or otherwise in connection with any provision of this Agreement), even if Music Tribe or any supplier has been advised of the possibility of such damages and even if the remedy fails of its essential purpose. Accordingly, your use of any of Music Tribe's Intellectual Property Rights independently of the Software or outside the scope of this Agreement shall be considered an infringement of Music Tribe's Intellectual Property Rights. Limitation of Time to File Claims Any cause of action or claim you may have arising out of or relating to this Agreement must be commenced within one (1) year after the cause of action accrues, otherwise, such cause of action or claim is permanently barred. No Warranties The Software is provided to you "As is" and "As available" and with all faults and defects without warranty of any kind. In no event shall such separate license agreements or additional terms and conditions between You and the supplier be binding on Company or impose any additional obligations, or obligations inconsistent with the terms of this Agreement, upon Company whatsoever. What constitutes material change will be determined at our sole discretion. Term and Termination This Agreement shall remain in effect until terminated by you or Music Tribe. If you use or purchase a license or to or on behalf of an Organization, you hereby acknowledge, warrant, and covenant that you have the authority to 1) purchase a license on behalf of the Organization; 2) bind the Organization to the terms of this Agreement. Modifications to Software Music Tribe reserves the right to modify, suspend or discontinue, temporarily or permanently, the Software or any service to which it connects, with or without notice and without liability to you. Nothing in this Agreement grants you (or any Organization) a license to Music Tribe's Intellectual Property Rights. Your Suggestions Any feedback, comments, ideas, improvements, or suggestions (collectively, "Suggestions") provided by you to Music Tribe with respect to the Software shall remain the sole and exclusive property of Music Tribe. Some jurisdictions do not allow the exclusion of or limitations on implied warranties or the limitations on the applicable statutory rights of a consumer, so some or all of the above exclusions and limitations may not apply to you. You agree that this Agreement conveys a limited license to use Music Tribe's Intellectual Property Rights, solely as part of the Software (and not independently of it), and only for the effective Term of the license granted to you hereunder. If you have already downloaded the software, delete it from your computing device. Music Tribe shall be free to use, copy, modify, publish, or redistribute the Suggestions for any purpose and in any way without any credit or any compensation to you. Equitable Relief You acknowledge and agree that your breach of this Agreement would cause Music Tribe irreparable harm for which money damages alone would be inadequate.
