Looking for a new podcast from your favorite playlists? If you are a music lover, then you've come to the right place. Although there are an almost endless number of podcasts focused on music over there, we've gathered some of the best to help you get started. Some of the podcasts that we've here are geared towards specific music, while others have a broader focus. We've delved into other creative companies as well. Whether you're a fan of the history of music, interviews with artists, or even opinionated acoustics, we've found something worth exploring here.

Broken Record Back in the days leading up to instant downloads, each album came with its own collection of notes from the line, which are found on the sleeves of LP albums or in the brochures hidden inside CD boxes. From short stories to commentary, these little notes became a form of connection between artists and their fans. While the line notes may now be a thing of the past, at least not the first thing that fans inquire into when listening to a new version of an album, the Broken Record podcast is about restoring that lost conversation between artists and their audiences.

The team behind Broken Record is almost as impressive as the high-profile guests of the podcast. Rick Rubin, the podcast's producer and host, is backed by writer Malcolm Gladwell and Bruce Headlam, a former New York Times editor. If you've ever heard a song and wondered what inspired it, Song Exploder is for you. The podcast features the best musical guests who break down the stories behind their songs, piece by piece. The presenter and creator Hrishikesh Hirway has talks with artists and then edits his side of the dialogue before issuing each episode, with the aim of keeping the focus on the music. Photo courtesy: Exploder song will leave each episode with a new shot of each song after learning about the creative process behind their inspiration and production. Song Exploder has shown to be so fascinating that it has also become a documentary series on Netflix.

R or Talkin' R.E.M. Re: Me? You could be wondering why a podcast dedicated to R.E.M. It is worth listening, especially if the band really does not resonate with you. Look, we were on the same hesitant boat. But now we can assure you that Scott Aukerman (Comedy Bang! Bang!) and Adam Scott's (Parks and Rec, Big Little Lies) R or Talkin' R.E.M. Re: Me? More deserves a place in its podcast tail. Courtesy of photos: Jeff Kravitz / FilmMagic for Clusterfest / Getty Images

It's not just the absurdity of Niche Norcore satire, two white celebrities in their 40s arguing a musical act that in the middle of the years 90 reached his peak, writes David Sims in the Atlantic. It's also, somehow, much more. Full of passion and hilarity, this trip full of digestion through the rabbit hole R.E.M. Discography is a true joy of listening regardless of your knowledge of the band. Recently, Aukerman and Scott have been cast in another beloved band at the podcast or talkin' heads that speak to me and talking head sound reviews you will see more friends who were in the music as if? If you struggle to find great conversation companies that are willing to deepen both music as well as, be sure to take a look at Sound Opinions. Photo Courtesy: Sound Reviews

The show has Rock Critic Greg Kot and Jim DeRogatis who did not only interview artists but also begin smart conversations that listeners are invited to call and regret. Whether you like opinions, the history of music, or you just want to be at the scene, you'll find it all in our list.

Lightning Bugs: Conversations with Ben Folds. A true Renaissance man at heart, Folds is not only a New York Times best-selling author and musician, but also a murderous host. While many of his guests are musicians, Folds launches an extensive network, chatting with people from the worlds of art, science and public policy. Ben Folds TV/YouTube The goal of the podcast? To initiate conversations about the creative process. If you've ever wanted to understand what makes your favorite creative touch, then these (often philosophical) discussions will captivate you. Best of all, Folds invites each of his guests to collaborate with him on a song, which he plays at the end of his episode. Cocaine and Imitation Diamonds If country music is your jam, do yourself a favor and subscribe to Cocaine and Imitation Diamonds. Directed by Tyler Mahan Coe, whom you may or may not recognize as the son of the legend of the outlaw country, David Allan Coe, Cocaine and Rhinestones is not just country music. In fact, it delves into the history and stories behind some of the best country songs of the 20th century. Photo courtesy: iHeartRadio

Sure, you'll have a lot of great stories about legends from the country, like Johnny Cash and Patsy Cline, but also about Polish climates. music that helped shape certain iconic songs, allowing you to understand them in a whole new way. MORE ASK.COM ASK.COM ASK.COM
