Title How can I find if an item is available at my local Costco? Body There are several ways that you can determine the availability of an item at your local warehouse: Visit the membership counter at your local Costco in person. Call your local warehouse and choose the phone menu option for Membership. Select Contact Us. However you choose to get in touch, please know that it helps speed up the process if you have either the item number or the product description handy!Finally, while we do try to keep popular items in stock for you to enjoy, its best to get in touch sooner rather than later. We certainly dont want you to miss out on whatever it is youre looking for! Title How can I locate a product on Costco.com? Body To search for a product online at Costco.com, enter a keyword or an item number into the search engine at the top. If the item youre seeking is in stock and available for purchase, your search will pull up its product page. You can view the item details on the product page, add it to your cart and proceed to checkout. You can also browse through the drop-down menu of departments on the Costco.com homepage, shop by categories and locate products that match what youre looking for. Please keep in mind that the items available online are unique to Costco.com and may not be carried in your neighborhood Costco warehouse. If the product youre looking for doesnt come up online, its possible that its in stock at the warehouse. For more information pertaining to viewing warehouse inventory online, please click here. Title What is Costcos return policy? Body Risk-Free 100% Satisfaction Guarantee On Membership: We will cancel and refund your membership fee at any time if you are dissatisfied. To use our customer service page instead, follow these steps: Select Chat Us in the lower right corner of the page Enter your first name, last name, and email address Enter a message that includes the word inventory in the Your Message field Select Login to your Costco.com account Sign in using your existing username and password, or create a new account Enter your ZIP code or city and state when prompted Select your preferred warehouse location Enter the item number or description of the item If your item is found, results will include pricing, availability, item number, department and a photo of the item when available. Inventory availability and pricing are delayed by up to 30 minutes and are subject to change. Out of stock items wont be shown. Title How can I see what products are available on Costco.com? Body To view products on Costco.com, either type what youre looking for into the Search box, or mouse over "Shop" to view our different categories. Simply click on the name or picture of an item to navigate to its product page. The great thing about shopping on Costco.com is that everything you see reflects our live, real-time and up-to-date inventory. The flip side is that the items on offer, including promotional offers, are limited to supplies on hand. Were unable to guarantee how long those supplies will last. To secure the best prices for our members, Costco.com purchases all items in bulk. Once inventory sells out, our buyers will negotiate for additional inventory. While it isnt always possible to replenish the inventory of all items, Costco.com makes every effort to offer the best quality products at the lowest possible prices. Once an item has sold out, its automatically removed from Costco.com, or youll see the "Out of Stock" banner added to the product page. Items are also continually added to Costco.com, re-stocking existing merchandise as well as expanding what we offer. Thats why we encourage our members to check back with our site frequently. There are always new products and promotions on offer. Happy shopping! Body Self-Service Options Chat Us Select the Chat Us option on this page. \*Hours vary by department.
