Bengali comics book pdf download.

The comics and illustrated novels have reached a vast audience, and many enthusiasts took the heroic jump in the retail side. For a comic book store, however, you need capital and passion for the vehicle. For years, the business of independent-and-mortis ministers has been under pressure of chain retailers and Internet sites, so a new success store needs customer's centric innovation and ample financing. Find your space. You don't need a sack. Keep overload - rent and utility - at a minimum. Comic book stores are generally low-tech, up to land establishments that do not need much visibility in a high-level traffic store, but can be in a less expensive position, like a strip strips out-of-the shopping center -Way, since they are a destination that dedicated comics fans will look for. Contacts Distributors and publishers who have comics, illustrated novels and manga for sale. The King Kong in this field is distributors of diamond books, a dress that manages all the main publishers, including Marvel, Dark Horse and DC Comics, exclusively. This means that you will have to acquire most of your inventory through the diamond, even if some publishers will be willing to deal directly with the shops and offer great discounts on wholesale orders. Set a website dedicated to comics and illustrated novels. Include store information and updates, new press releases, sales and discounts, as well as comics news, reviews and blogs. Contact comedians' comedians of comedians in local media, including newspapers, weeks, public access cable and radio, and make sure of your new store. Develop a list of e-mails from registration in the store and the website and send a normal newsletter with advertisements of shops and other information. Participate in comic book conventions to chat with collectors or set up your stand by announcing your presence and offer your goods. Diversify your product line. Check in Bookback books, baseball cards, collectibles action figures and any product that is accessory for comics trade and will be interested in your customers. Consider alternative media such as CDs, video games, puzzles, board games and e-books. Set a game zone to bring new customers regularly - Saturday morning is always good or hold a tournament. Take your name outside with social media and youtube and regularly updates with new books and new products.
