

I'm not a bot

Canadian organizational behavior 10th edition

Steve McShane is a Conjoint Professor at Newcastle Business School, University of Newcastle, Australia. His academic background includes Adjunct Professor roles at Gustavson School of Business, University of Victoria, Canada, as well as Professor positions at Simon Fraser University's Faculty of Business Administration and the University of Western Australia Graduate School of Management and Business School. Currently, Steve teaches organizational behavior in the IMBA program at Antai College of Economics and Management, Shanghai Jiao Tong University, China. His teaching quality and innovation have earned him awards, with high ratings from students across cities like Perth, Shanghai, Singapore, Manila, and more. As a sought-after visiting speaker, Steve has delivered dozens of invited talks and seminars in the US, China, Canada, Malaysia, India, and other countries. With a PhD from Michigan State University, where he specialized in organizational behavior and labor relations, Steve also holds Master's and undergraduate degrees from the University of Toronto and Queen's University, respectively. A past president of the Administrative Sciences Association of Canada, Steve has directed graduate programs at Simon Fraser University and conducted executive programs for organizations such as Nokia, TÜV-SÜD, Wesfarmers Group, Main Roads WA, McGraw-Hill, ALCOA World Alumina Australia, and many others. Steve is a prolific author, coauthoring textbooks like Organizational Behavior, Canadian Organizational Behaviour, Organisational Behaviour: Asia Pacific, and M: Organizational Behavior, in addition to publishing numerous articles and conference papers on various topics. In his free time, Steve enjoys outdoor activities with his family, such as hiking, swimming, body board surfing, canoeing, skiing, and traveling. Steve has a strong academic background in organizational behavior and labor relations. He holds PhD from Michigan State University and also has Master's of Industrial Relations from the University of Toronto and an undergraduate degree from Queen's University in Canada. Steve is highly respected for his work, having been past president of Administrative Sciences Association of Canada and serving as Director of Graduate Programs at Simon Fraser University's business faculty. He has delivered executive programs to several top companies including Nokia and McGraw-Hill, and has co-authored several influential books on organizational behavior. In addition to his professional accomplishments, Steve is a dedicated husband and father who enjoys outdoor activities like hiking and swimming with his family. Currently, he holds the position of Conjoint Professor at Newcastle Business School in Australia and also teaches organizational behavior at Antai College of Economics and Management at Shanghai Jiao Tong University in China. Steve is a renowned author who has published several books on organizational behavior, including the Behavior, Fourth Edition in 2019. He has also co-authored editions or translations of his books in other countries. In addition to writing, Steve has written numerous articles and conference papers on various topics such as workplace values, training transfer, and employee socialization. When not working, Steve enjoys spending time with his family, which includes his wife and two daughters. He is also an outdoors enthusiast who loves hiking, swimming, body board surfing, canoeing, and skiing.
