Washington St. Louisville, KY 40206info@jgumbos.com(502) 217-0094 I live in N Fl and won't eat anything / where I can get at home when I'm traveling. I saw this place while looking for a place to change my car's oil. The next day I went in to get a to-go order so I could watch the news / NASCAR shows in my room. The menu was divided into mild , medium, and hot levels containing 8-10 items each. The operator asked what I wanted , but because I thought I knew what I wanted ,but couldn't find it on the menu, suggested 2 other choices (with samples). All 3 choices (1 from each spice level including my craw fish etouffee were great but since I had been thinking about it all day I took the etouffee to go). The portion was too HUGE to eat in 1 sitting. The spice was right the rice was right the sauce was right and the crawfish was right . And because they give a heavy duty microwave bowl I had 2 GREAT meals for the price of 1! We've detected that JavaScript is disabled in this browser.
