Help me find my tender heart that I lost along the way. Take me back where it all started. In that hospital room. In that hospital dress. With you in my arms. Help me find my tender heart that I lost along the way. Take me back to those first days. When you just needed me. When I just wanted you. (And some breaks when you slept.) Help me find my tender heart that I lost along the way. Take me back to those early years. When you learned to sit and crawl and walk. When you started talking and eating. When you were my content groupmate, who I spoke or ate. Help me find my tender heart that I lost along the way. Take me back to those elementary years. I'm still looking for years of you, and I like you. The years of you beginning to enter yours, but still very knowing that you are forever mine. Help me find my tender heart that I lost along the way. Because something tells me when the middle school comes, I'll need it.
