Answer the following questions in brief meaning

For the following questions:

1. Write a brief definition on: What is the meaning of design? Include:
 - a) How it is used in engineering, in the context of design.
 - b) What activities are involved in the design process?This is not for presentation, this is for learning/reading to learn.
2. Read Chapter 13 of the book "Design of a Simple Machine" by J. E. Shigley & J. M. Mischke & find out the main purpose of the assignment.

This assignment will enable you to apply the knowledge of understanding of the concept of design of a simple machine. You will be required to explain the concept of design of a simple machine. You will be required to explain the concept of design of a simple machine. You will be required to explain the concept of design of a simple machine.

Question #4. [9 Marks]: Short Answers of the following.

1. Describe the concept of *separation of concerns* in your own words.
2. Why is it necessary to "move on"?
3. Do you agree or disagree with the following statement: "Since we deliver multiple increments to the customer, why should we be concerned about quality in the early increments—we can fix problems in later iterations." Explain your answer.
4. Why is it that many software developers don't pay enough attention to requirements engineering? Are there ever circumstances where you can skip it?

When answering the following questions, reference the ideas presented and theories discussed in Chapter 13.

Q1 – As stated in your text, many organizations are taking a further step to eliminate sexual harassment by banning romantic relationships between hierarchical employees. Based on your reading, do you believe that organizations have the right to determine what types of behavior consenting adults engage in outside of the workplace? Explain your answer.

Q2 – Do you think organizations should include rules about office romances in their sexual harassment policies? Why or why not?

Q3 – Is it ever okay for a manager to date a subordinate? What if someone becomes his or her romantic partner's supervisor after the relationship has already begun?

Q4 – Why might 36 percent of the survey respondents say they hid their romantic relationships from coworkers? How does this relate to what we learned about office gossip in Chapter 11?

- Definitions for
 - linear transformation
 - matrix transformation
 - matrix associated to a linear transformation
 - basis
 - one-to-one
 - composition of linear transformations

What is the answer of the question. What is its purpose answer. What did you do this morning answer. What is asked answer. What are you about answer. Answer the following questions in brief meaning in hindi.

What is the answer of the question. What is its purpose answer. What did you do this morning answer. What is asked answer. What are you about answer. Answer the following questions in brief meaning in hindi.
