(January 2011) (find out how and when to remove this message) to StuDebaker Rockne at the South Bend Studebaker National Museum. Indiana The Rockne was an American American brand produced by the Studebaker Corporation of South Bend, Indiana, from 1932 to 1933. Rockne was offered a high-visibility job by Studebaker president Albert Erskine. Learn how to measure your carburetor, clean out your gas tank, and make repairs or replacements to your model carburetor. U.S. Manufactured CarburetorsWe make all of our carburetor parts in the U.S. to original standards, so you can rely upon Mike's Carburetor Parts to work well for your needs. Crestline Books. The 1933 Rockne line was reduced to one line, the "10". When Studebaker went into receivership on March 18, 1933, it was decided to move production of the Rockne to the Studebaker plant in South Bend. Discussions between Studebaker and Knute Rockne began in 1928. The brand was named for University of Notre Dame football coach Knute Rockne. Studebaker planned for a durable, inexpensive car. The "75" was based on the Studebaker Six, while the "65" was based on designs by Vail and Cole, the two engineers under contract for Willys-Overland. We have free carburetor manuals for many of the top brand of marine and automotive carburetors, troubleshooting tips, and questions and answers. The Rockne "65/10" engine would replace all the six-cylinder Studebaker car engines then in production and power Studebaker Dictator and Commander cars until World War II. The year 1932 was the bottom of the depression, not a good time to introduce a new name. The Standard Catalog of American Cars 1805eÅÅÅ1945. (1994). Browse our list of helpful how-to videos and our technical information library to get all of the tips you need to make our auto carburetor repair. Please help to improve this article by introducing more precise citations. This engine would also power postwar Commanders and Land Cruisers until the V8 became available for 1951. Production of the Rockne "75" began at South Bend on December 15, 1931. For other uses, see Rockne (disambiguation).
