Meaning is the general word denoting that which is intended to be or actually is expressed or indicated: the meaning of a word or glance. Sense may be used to denote a particular meaning (among others) of a word or phrase: The word is frequently used in this sense. Sense may also be used loosely to refer to intelligible meaning: There's no sense in what he says. Significance refers particularly to a meaning that is implied rather than expressed: the significance of her glance; or to a meaning the importance of which may not be easy to perceive immediately: The real significance of his words was not grasped at the time. Purport is mainly limited to the meaning of a formal document, speech, important conversation, etc., and refers to the gist of something fairly complicated: the purport of your letter to the editor.Examples have not been reviewed.That potent yearning never fully dissipated; Osbourne always sounded like a seeker, something constantly in search of meaning.Seven has always been Drakes favorite number, but it has a new meaning to her now.Many of their friends are Neets, meaning they are not in education, employment or training, and one has applied for "more than 100 jobs".This year's warmth has helped them move through their lifecycle quickly meaning their survival rate has been remarkably good; spending less time as caterpillars and as potential bird food.However, two legal rulings in the past few years have changed that, meaning they are now entitled to one.meaniemakingfulBrowse#aabbccddeeffghhijjkkllmmnnooppqqrrssttuuvvwxxyzzAboutCareersContact usCookies, terms, & privacyHelpFollow usGet the Word of the Day every day! 2025 Dictionary.com, LLCEmojiopedia is brought to you by Zedge, the world's #1 phone personalization app noun jump to other results [uncountable, countable] meaning (of something) the thing or idea that a sound, word, sign, etc. representsWhat's the meaning of this word?Words often have several meanings.I am using the word with its original meaning.The literal meaning of China is the country at the centre.Honesty?
