Although we say little he has not undergone variations in the power completely from his fight with 17, he was going to be a dead point from someone before Gohan easily a hit him.6 years ago Reviews: 1user lists: 5 @ johnfrank120: @gothamciti: Gohan barely manages to turn SSJ 1, don't keep up with her martial art and needed to transform SSJ1 to a slightly strong shot like Zarbon to her first. It doesn't look good for Gohan. In reality we don't know how powerful Gohan was in Revival of Frieza. He doesn't "barely" go SSJ1. Everything that he said is that he thought he could still go SSJ1 and then did it without any problem. The reason behind him saying: "I believe I can still go ssj1" it was because during the bu saga his potential is unleashed and became "mystic gohan" and does not need to transform more. It is definitely weaker, but we have no idea how weaker considering before Mystic Gohan its best was SSJ2 (very similar to spill before SSGS). 6 years ago Reviews: 1User Lists: 5 Never show or even mention it , besides him too weak by train even with years frieza.6 ago reviews: 0user lists: 0 # 14a by strictlyanymehere of a real question for you guys, could rof gohan beat training vegeta rosat to fight years. 6 imperfetti makes reviews: 0ser Lists: 0 things is a real question for you guys, could Rof Gohan beat the formation of Vegeta Post Rosat to fight the imperfect cell. He beat Rebrians, so that he means he should be stronger than he was in the Android saga, and Rof Gohan was so weak that he was worried about fighting freezer soldiers and was not sure If he could go SSJ. I would say that Gohan means is probably around Android for suppressed cellular level at best, which is about where I think 18 is, but it has an unlimited energy.3 years it jumps up to Ultimo Law Ready of the television series Dragon Ball Zseason 4DVD release Postercountry of Origijapanno. by Episodes:32ReleaseEORGINAL NETWORKCJJI TELEVISIONORIGINAL RELEASESEPTEMBER 18, 1991A (1991/09/18) Å.
