Children match the front half of the animals to the back half! My children have (literally) loved this game to pieces. I should have laminated it because it get's so much use. I know your kiddos will enjoy it too! This is a cute counting file folder game with a farm theme. Children read the number printed on each bunny and give it the corresponding amount of carrots. Optional Idea: Use cut up plastic straws or orange pipe cleaners for small motor movements. Jumbo Farm Animals from Learning Resources Realistically detailed barn animals Set of seven durable plastic animals Horse measures 7 1/2 x 10 Hours of imaginative play Award Winner Free preschool printables for early childhood teachers, be they at home or in the classroom. I'm not a big fan of preschool worksheets, which focus more on only paper and pencil work or rote copying. However, I do like using hands-on printables at times in the classroom. I also like making such printables for my classroom, as I can tailor them to what the kiddos are learning about, or what they're interested in. Below you'll find Fun-A-Day's collection of free preschool printables. Let me know what you think about them! Book of Structures for the Block Center - Real photos of structures around the world, along with a label of their country of origin. Perfect for the block center in a classroom or at home. Block Number Cards - Use small blocks to work on counting and one-to-one correspondence. "Work in Progress" Sign for the Block Center - We have these in the block center so kiddos can "save" their work when needed. Related: Materials for Easier Printable Prep I think making books with kids is one of my favorite things to do in the classroom. You can use printable books where the kids are the authors, they can dictate or write their own stories, or you can even make class books with the kids! So many possibilities. You can find all of our free printable books for preschoolers here! Ladybug Letter Puzzles - Kids work on matching uppercase and lowercase letters with these puzzles. Add them to a sensory bin for even more exploration. Easter-Themed Letter Recording Sheet - Have the children keep track of the letters they find hidden inside plastic Easter eggs (or an Easter-themed sensory bin). Say It, Write It, Make It Alphabet Mats - Spring-themed letter cards that you can use with the printable mat. Heart Letters - We used these printable heart letters to work on the children's names. They can, of course, be used for a variety of other activities. Magnetic Letter Sorting Mats - Kids can learn so much from sorting letters! Apple Alphabet - Use these letters during an apple theme or as part of a Ten Apples Up on Top activity. Winter Read It Build It Printable Letters - Pair the winter-themed letters with the printable mat for an all-encompassing alphabet activity. Name Snowman Craft - Use the printable snowball letters (and editable snowman hat) to encourage kids as they learn their names. Here's a video sneak peek: Weather-Themed Word Cards - Printable word cards that are perfect for a weather theme. Or add them to your calendar or circle time area. Christmas Letter Tiles Pages - Have the children use these pages to make a variety of Christmas-themed words. Nursery Rhyme Journals - Use these pages to set up poetry journals for your students. Monster Matching Cards - Simple cards that can be used for making or writing Halloween words. We used them for a matching game. Twinkle, Twinkle, Little Star Rhyming Activity - Simple rhyming cards to extend a classic nursery rhyme. Reptile Word Cards - Children can use these cards to write reptile words or create the words with letter tiles. Winter Word Cards - Let kids make a variety of winter words via writing, magnetic letters, or letter tiles. Valentine's Day Number Cards - Heart-themed number cards, as well as a candy jar counting mat to use with the numbers. Kids can explore numerical order, number recognition, and one-to-one correspondence. Monster Number Cards - Square number cards with a monster theme. We used them for a fun slime monster counting activity. Robot Number Cards - Number cards to use with the kids during a robot theme (or anytime, really). We had fun using them with a sensory writing tray. Lion Ten Frames - Use these printable ten frames with mini erasers, math manipulatives, or small toys while working on number identification and one-to-one correspondence. Train Numbers - Number cards for a train or transportation theme. Snack Math for Preschoolers - Kids like counting and sorting their snacks! Let them use these snack math sheets to do just that. Acorn and Leaf Calendar Numbers for Fall - Print out the acorn and leaf numbers for use during fall circle time, or a variety of other early math activities. Apple Numbers - Kids can order numbers, count, and practice one-to-one correspondence skills. Christmas Tree Slime and Ornament Numbers - The children can pair the ornament numbers with slime as they practice counting and one-to-one correspondence. Snowman Roll and Cover - Snowman-shaped number game and printable number cube to work on counting and number identification. Valentine Dice Games - Two versions (colorful and black-and-white) of a sweet and simple heart-themed dice game. "Put the Mud on the Pig" Dice Game - I use this easy game during farm themes. "Make Way for Ducklings" Dice Game - This game is fun as a Make Way for Ducklings extension, or just because! Fine Motor Apple Math Game - Combine fine motor practice and math with one fun and simple game. Helicopter Dice Game - A dice game suited for a transportation theme! Bunny Shape Mats - These can be used as play dough mats, or you can have the child use them for a variety of fine motor shape activities. Bear Math Pattern Strips - Help children explore patterns using bear math manipulatives and these pattern strips. Dinosaur Busy Bag - Kiddos practice sorting by color with this dino-themed busy bag. Butterfly Sensory Bottle Labels - Use these printables to label colorful butterfly sensory bottles. Butterfly Life Cycle Cards - Leaf cards for each stage of the butterfly life cycle. They were inspired by our butterfly life cycle necklaces. Sign-In Book - The preschool kiddos sign in every day in my classroom. This free printable includes a front cover and a grid for the names (and it's editable!). September "Homework" Calendar - This isn't really homework, more like an activity calendar to share with your students' families. They have ideas for fun and simple learning kids can do with their families. Advent Calendar for Preschool - Send these home with your students' families if they're looking for some fun ideas for counting down to Christmas. Candy Heart Experiment Recording Sheet - Use these recording sheets to keep track of the kids' observations during the experiment. Preschool Classroom Jobs - Every week, my preschool kiddos get new preschool jobs. These job charts help us keep track of who is doing what. "You've Been Hugged" - Surprise some friends (or students, or students' families) with a sweet treat and these printable notes for Valentine's Day. Box Tops for Education Collection Sheets - Help kids sort and count Box Tops before turning them in at school. Forest Animal Play Dough Small World - Simple forest animal cards that can be used during a simple small world activity. Morning Routine Chart for the Preschool Classroom - This chart hangs outside my classroom to remind my students about their morning responsibilities. Halloween Tracing and Cutting Strips - Children can work on their fine motor skills with mini erasers, loose parts, dry erase markers, or play dough on these printable strips. Transportation Playdough Mats - Students will practice fine motor skills while learning all about different vehicles. I'll be adding more free preschool printables as I create them, so be sure to pop back and check this page every once in a while! Let me know if you use any of my printables with your children or your students - I'd love to know what you think! If you're looking to save time planning for preschool (and, really, who isn't?!), pop over and check out Preschool Teacher 101. We have so many done-for-you preschool resources that can help. There are preschool lesson plans, math resources, literacy resources, and a lot more available for you. You can also find us on Teachers Pay Teachers. This page is filled with resources to help you teach your children numbers. You'll find printable charts, games, minibooks, activities, crafts and more. Learning about numbers can be fun when you have the right resources! Students in preschool can begin by learning to count to 10, then 15, 20, and even 30. Ready for more? Try our Preschool Number of the Week Curriculum. This is a fantastic free set of Number Rhyme charts with a transportation theme. Childrean drive their toy cars, trucks, and planes along each number while following the fun rhyming number formation.
