## Sao war of underworld episode 17

This coming week we will be looking at some of the updates about this Anime. Let's see what is happening in the underworld here. In the human world, Mr. Yanai wants to kill Takeru Higa who is helping Asuna and others who are in the underworld. Yanai told Higa that he is just following his goal and he is going to continue on with the boss's legacy. Yanai has also infiltrated Rath for his plans to work. Higa asks who the boss Yanai is talking about and Yanai replied that it is Mr. Sugou. Higa asks how is he going to carry on his legacy while Mr. Sugou is not yet dead. Yanai said that he might be dead now since Mr. Sugou was locked up for ten years. Yanai was also part of Mr. Sugou's human experiment he was the one collecting data for it. The line for the experiment is still active and Yanai is planning to use it for his benefit. He told Higa that the line is in the American National Security Agency. Sword Art Online Season 4 War of Underworld Previously on Sword Art Online Season 4 War of Underworld Episode 16 Higa figures out that Yanai is the one who has been leaking information about Project Alicization to the Americans. Yanai said that if the Americans succeed in underworld retrieving Alice it will a big bonus and position for him overseas. Higa drops his laptop that is carrying data for Yanai not to get access to the information. Yanai fires a bullet to Higa. In the underworld at the dark territory rocky mountain, a Subtilizer has appeared. Sinon is ready to square against the enemy and Subtilizer asks if Alice has managed to escape. He promised that he will catch up with Alice after he has finished settling the score with Sinon. Subtilizers wanted to steal Sinon's soul by kissing her and she was saved by her magical necklace. She jumps away from him and takes out her weapon pointing it at him. Sinon fires bullets towards Subtilizers who block them with his left hand and regenerate the hole in his hand. Meanwhile, in dark territory southern ruins, Asuna is involved in a fierce battle with her group taking down the enemies. Techie, Talken, Nori synchronize their big attacks and blast the enemies. Sune told the red forces that they have been deceived. Moonphase from the enemy's side asks if she is telling the truth. Mei from Moonphase side said that she notices something is wrong about this battle and Mophase replied that they re being misled. The war between Asuna's group and red forces has stopped. Another enemy tries to confuse the red forces and Asuna's group to fight again. The red forces started rampaging and Mei from red forces is trying to calm down so that they can make peace with Asuna's group. The red forces said that they won't forgive the Japanese hackers and Sune is attacked and injured. The war still continues at all dark territories but in the north, it has stopped after Asuna drops her sword down. The leader of red forces has decided not to kill them because Asuna has surrender and her group puts their weapons down. The red forces are shouting that they have won. The leader takes out his hat and Asuna finds out that it is Poh. We have managed to get the preview for the next episode courtesy of Alice Zuberger YouTube channel. Sword Art Online Season 4 War of Underworld Episode 17 Preview That's all we have for updates about the next episode of the Anime. We will be back with more news and updates later as soon as the new episode is released. ขอลงมือ ไม่สามารถแสดงเนื้อหาในประเศของคุณได้ หรือ อาจจะไม่เหมาะสมกับอายุของคุณ Sword Art Online: Alicization- War Of The Underworld Episode 17: Where is Kirito when you need him? The last episode made one thing clear that in the next episode something really big is going to happen. It is one cliffhanger episode after another and we really can't contain our excitement. Sword Art Online: Alicization- War Of The Underworld Episode 17 Release Date We have been saying this in every episode but we really are in the endgame now. And just for general knowledge, there is a post-credit scene after the episode, and please do not skip to miss it. Episode 4 was a tease to a certain comeback and to build up the next few episodes, so buckle your seatbelts, because Underworld is going to be whole lot messy now. Sword Art Online: Alicization- War Of The Underworld Episode 16 Recap The episode started with Yanai holding the gun and saying that he is not just a traitor but he is also working with Mr.Sugou and will carry his legacy and also revealed that he was the one who gathered the data for Sugou's Human Experiments. He said that his line is connected to American National Security Agency and it is still connected and he is going to help to sabotage the Project Alicization and will and wants Kirito to die as revenge for the death of Admi. Meanwhile, Sinon is facing Subtilizer and he told Sinon that it is fate that they are facing each other again and he is still not able to resist the taste of Sinon's soul. Subtilizer was an inch away from stealing Sinon's soul when she is saved by her connection to Kirito and then she starts her counterattack. In the Southern Territory, Asuna is fighting the enemies while her army is getting killed slowly and slowly. Sakuya is leading another troop and when Rue is injured, she loses her cool and attacks on her own, and number games got better of her and she was killed. Siune convinces Chinese and Korean players that they are being deceived and they are legitimate users. Moonface and Mei agrees that there is something wrong about the game. Just when everyone was about to be convinced, Vassago enters and stops them by telling more lies. In the Northern Chasm, Sheyta and Iskahn were convinced that these are their last moments when Orc forces lead by Leafa and Lilipin came and saved them. Meanwhile, Kikuoka and Rinko discover that Yanai has betrayed them and inserted code 871 in the Underworld. Meanwhile, Asuna and her army surrenders as the battle was already lost and Vassago reveals himself as PoH and confesses that he told Laughing Coffin about SAO, and because of that all of the players are now murdered. He brought Kirito outside and is going to ask him questions. Meanwhile, in the post-credit scene, an unknown server is starting.
